

Measures against COVID-19 at ISAAC2021

In order to prevent COVID-19 clusters, please follow the measures below.

1. **Checking body temperature**

Please check your body temperatures every day.

2. **Keeping hands clean**

Please wash your hands and use hand sanitizer.

3. **Wearing masks**

Please wear a mask in Nishijin Plaza.

4. **Paying close attention to health condition**

Please refrain from participating when you are not feeling well.

5. **Seating with distance**

Please seat with distance from other participants.

6. **Maintaining social distancing**

Please keep an appropriate distance (2m or more) from each other.

7. **Refrain from eating out in a large group**

Please refrain from eating out in a large group during the conference.

8. **Keeping windows and doors open**

Please keep the windows and the doors open for ventilation.
